Upload File

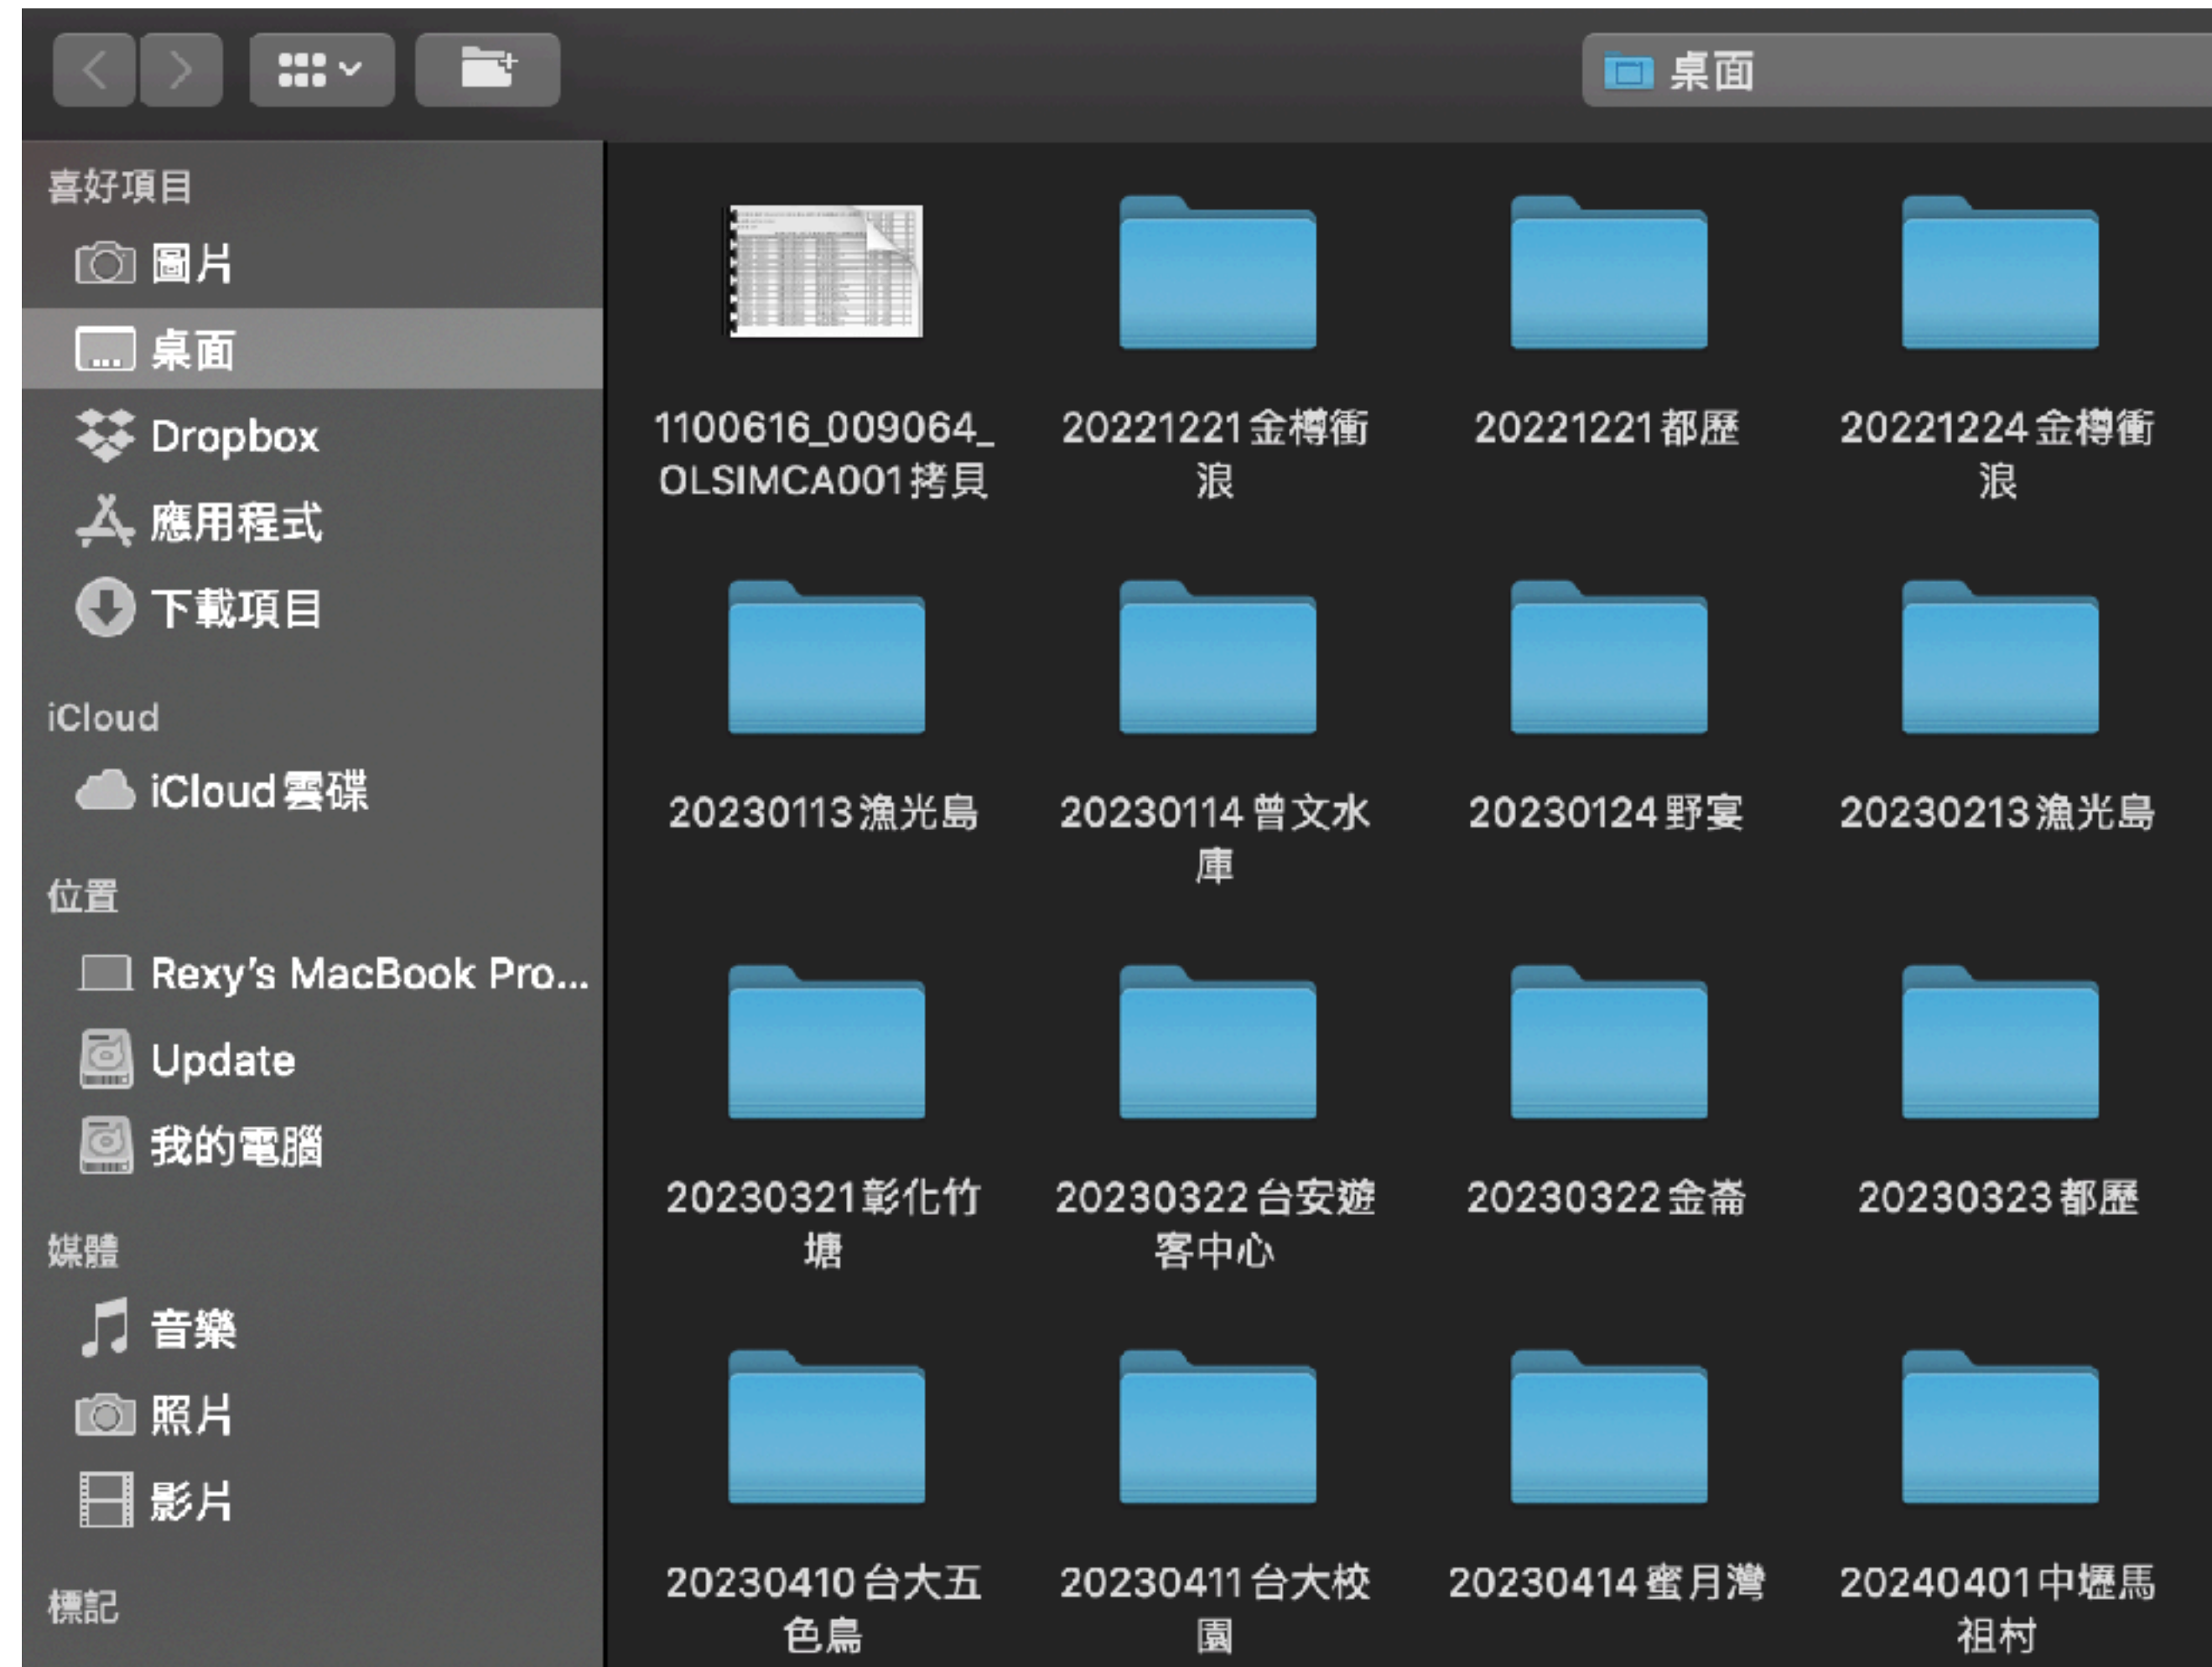

File Upload - Welcome Page

- Hover the cursor over ' File Upload 'and select the general category or selection category to enter the file upload page.
- Participants can choose to submit their entries as a single image or as a group of multiple images.
- There are specific requirements for selection team. please refer to the competition rules for eligibility, the number of files, and the specifications. Please note:
 - The difference between group photos and a single image is the title of the work. For example, there is only a title for all the photos in a group, while each individual image in a single image is submitted with a title.
 - Single images must be uploaded one by one. If multiple images are uploaded at once, the system will consider them as group photos.
 - As stated in Article 7 of the ' File Specifications ' section in the competition rules:There is a maximum of 8 images for each group , and each person can submit up to 5 groups. If you upload more than 8 groups, the system will automatically delete the excess images after the 8th group.
